

## New Location

Come visit us at our new location - now closer to all the action! in Building #289 near the corner of Celebration Way & Knapp Street.

## What's New?

Exciting new products plus a new, improved website! Be the first to see what's new in the Cleveland Wheel & Brake Systems product lines.

## Giveaways!

Get the latest Brake Lining ID poster, Tech Service Guide and 'Go/No-go' Gauge

## Win!

Follow us on social media and be registered to win great prizes!

Tuesday @ 11:15

Kyle & Liz Franklin

## Meet & Greet

Wednesday @ 10:00

Lima Lima Flight Team

Matt Younkin

Wednesday @ 1:00

## Learn

Join us for our popular maintenance presentation hosted by **Shell AeroShell** (Booth #446) and learn about proper wheel and brake maintenance procedures and how to avoid trouble issues. Question & answer session at end of presentation so you can ask the experts! Also check the daily classroom schedule at our new location (Building #289) where we share topics with Hartzell Aviation!

## KidVenture

Bring the kids to visit KidVenture to learn about airplane wheels and brakes and see our new Brake Bleeding learning activity!
